The design of light for this remodel of a landmark development in Paternoster Square delivers a stylish, welcoming ambience, with a pair of bespoke feature pendants that add a special dimension to the space. CLIENT Mitsubishi Estates London | Stanhope

ARCHITECT

Fletcher Priest

DATE 2019-2023

PHOTOGRAPHER Ståle Eriksen

PROJECT TEAM Keith Bradshaw, Jaime Fuentes McGreevy, Jungwon Jung

The lighting equipment is kept at a low height, and the intensity is also low, to preserve the fabulous views out.

Up on the roof, spacious terraces make the most of the uniquely close view of St Paul's Cathedral, and across the City of London. Here, we added soft lighting under seating areas and to accentuate the landscape, along with some base provision for future F&B.
